

CHRISTMAS PAPER CHAIN

Using a single piece of paper, make the longest chain possible in the given amount of time.

CHALLENGE

INSTRUCTIONS

Using only the materials provided, work by yourself or with a group to make the longest paper chain. You can only use one sheet of paper, so take your time and plan your paper chain carefully. You have 10 minutes to complete the chain. When your time is up, lay the paper chains next to one another to determine the longest paper chain.

SUPPLIES

One Piece of Construction Paper
Scissors
Tape

Measure - How long is your paper chain? _____

What was the most difficult part of this challenge?

If you had the opportunity to try this challenge again, what would you do differently?

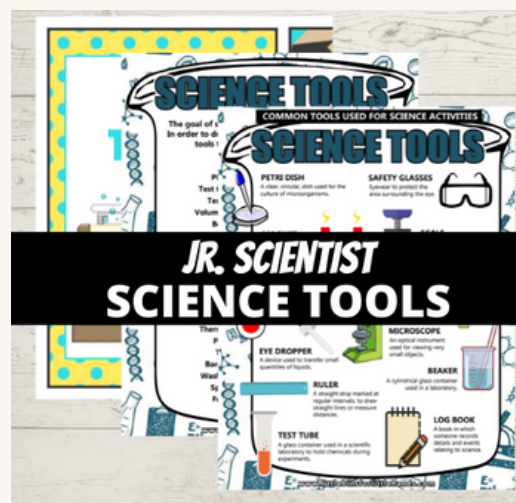

LITTLE BINS FOR LITTLE HANDS

Are you ready to . . .

- ✓ Find manageable science, engineering, and art projects that kids love doing and are budget-friendly.
- ✓ Stop entering your email address over and over for each activity.
- ✓ Spend less time prepping with our easy instructions, templates and supply lists.
- ✓ Spend more time engaging with your students, groups or kiddos.

Meet the Little Bins for Little Hands Duo!

Hi! My name is Sarah, and this is my son Liam. He's actually 13 now. We still LOVE playing around with science and STEM at home.

I shared a simple baking soda and vinegar science activity ten years ago with him. Since then, we've been hooked! Together we have enjoyed 100s of science experiments that are low cost, easy to set up, and just plain FUN!

I always aim to provide the BEST science activities and STEM projects that fit your time and budget! We hope you enjoy the materials we have put together for you today!

~Sarah and Liam
