

# PAPER PLATE PENNY SPINNERS

## Supplies:

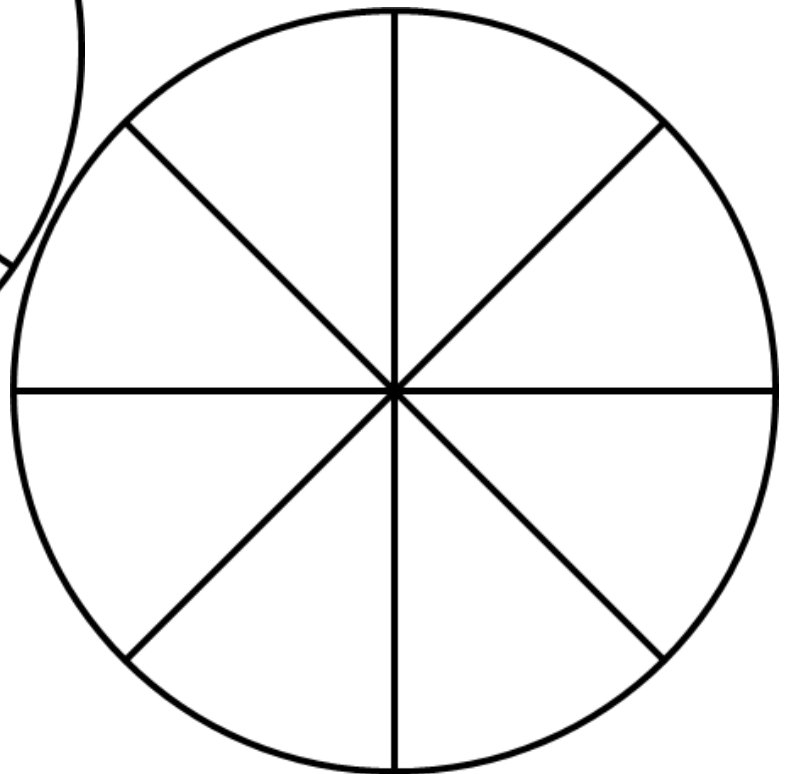

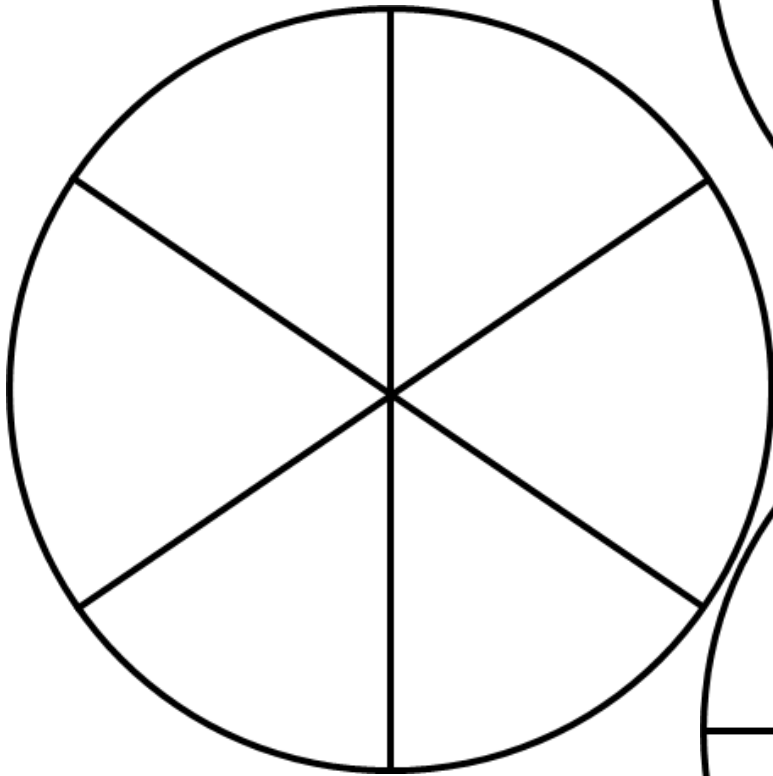

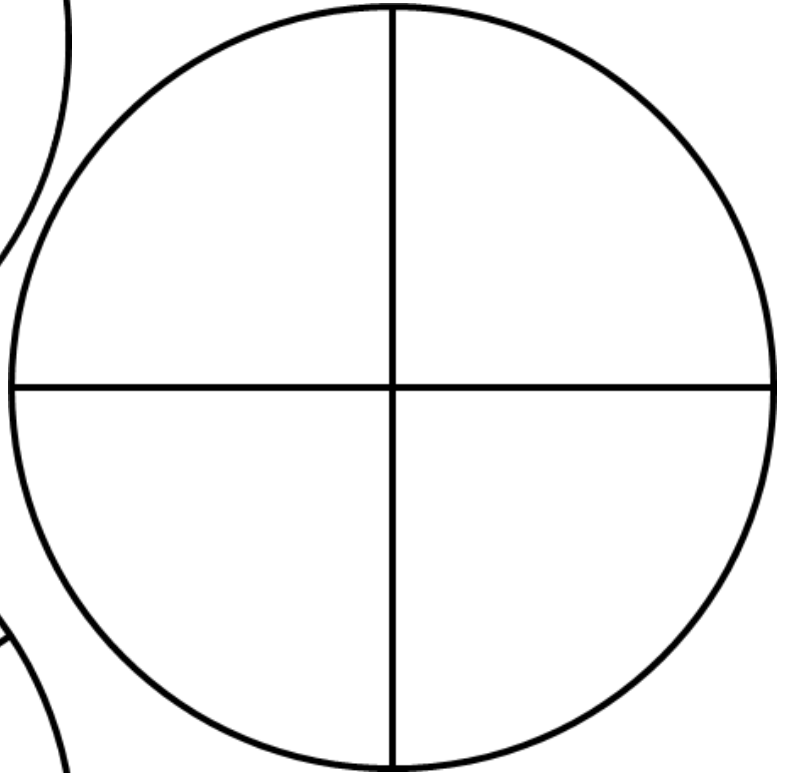

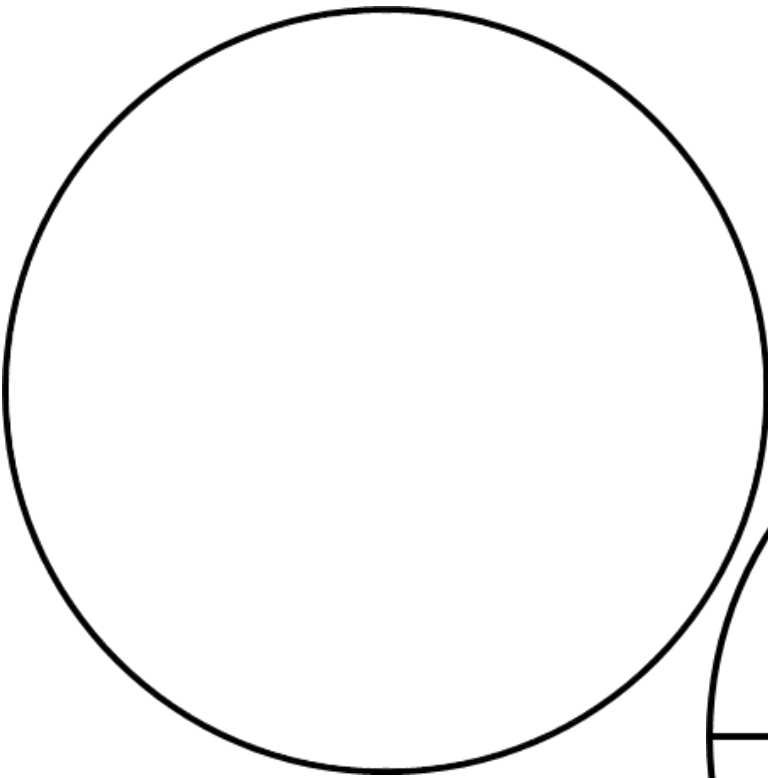

- Paper plate
- Round cup
- Pen
- Ruler
- Markers
- Scissors
- Penny

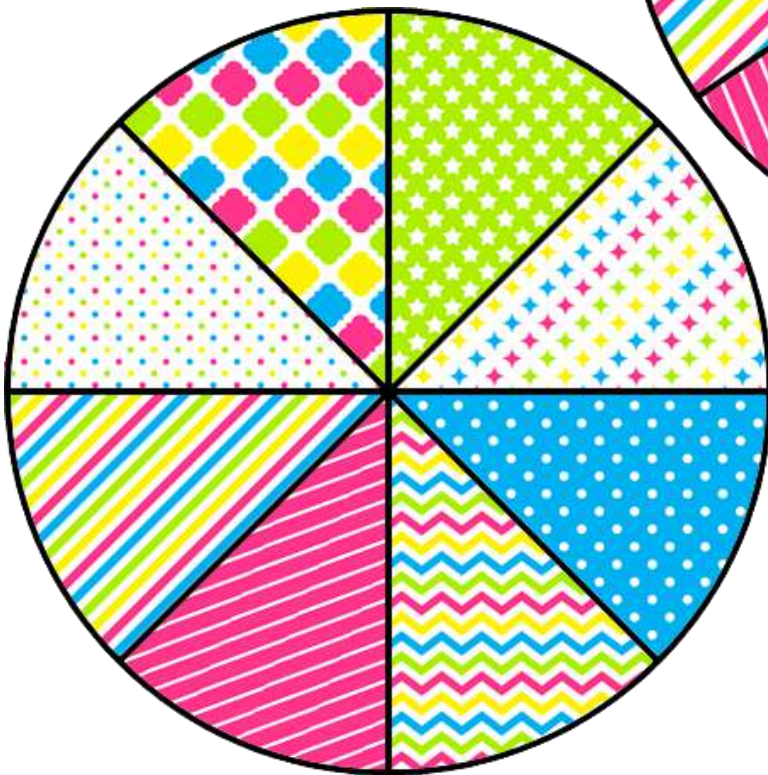

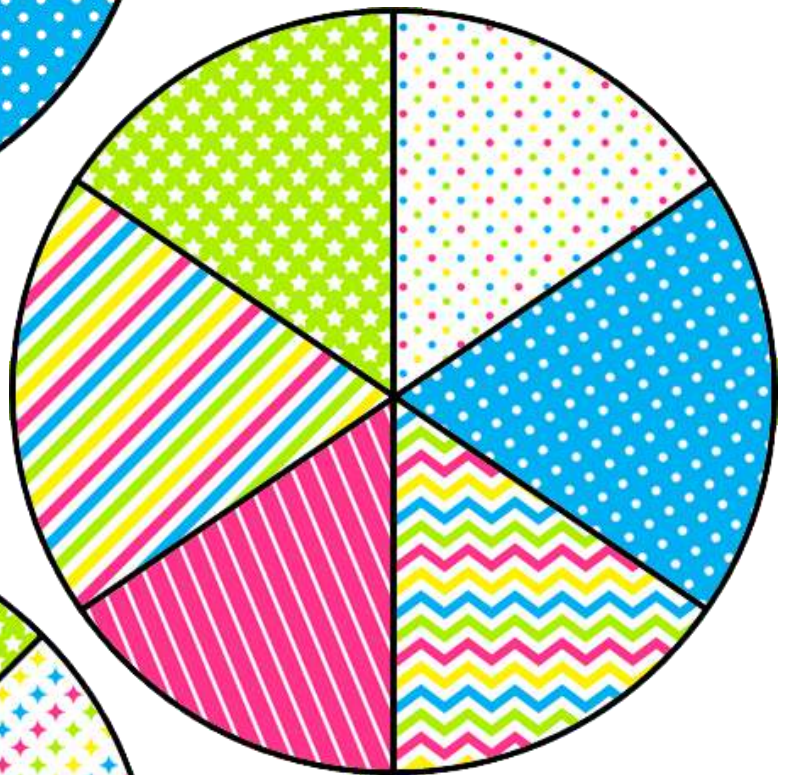

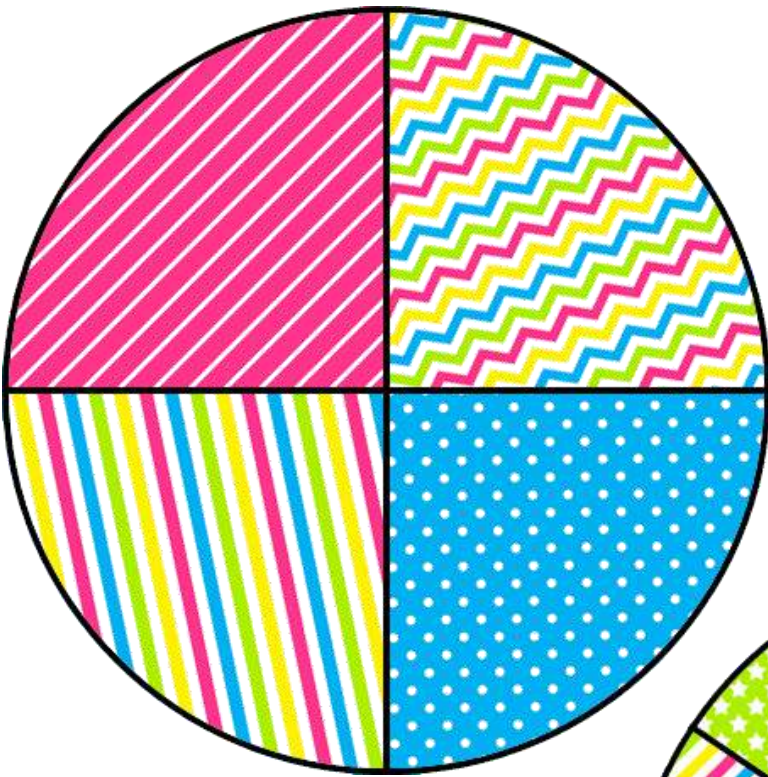

## Instructions:

1. Use the templates provided or trace around the outside of the cup using the pen.
2. Cut out the circle.
3. If making your own circles, use a ruler to find the center of the circle and mark it with a pen.
4. Place the ruler on the center of the circle and draw a line to create halves.
5. Turn the circle and draw another line across the circle to create quarters.
6. Draw two more lines through the center of each quarter to create eighths.
7. Use the markers to color or draw patterns in each section.
8. Cut a slit in the center of the circle slightly smaller than a penny.
9. Push the penny through the slit.
10. Holding the penny between your fingers, spin the penny spinner on a flat surface.
